Price Disclosure

Grooming prices are based on a pet being groomed on a regular basis. Pets who are heavily matted, overweight, arthritic, have flea/tick issues, or need special extended grooming times can be subjected to an additional charge of $20 or more. I hereby grant permission to All 4 Pawz, LLC to obtain emergency veterinary care for my pet. Also realizing, that matted and unruly pets have a greater chance of injury during grooming. I understand that if my pet is elderly or has health issues that there is an increased risk for stress related health issues to occur, despite groomers taking all necessary precautions to prevent any such occurrences, I do understand that grooming can be stressful to some pets. I also understand that it is necessary to have my pet up to date on all vaccinations prior to grooming. In order to accommodate other clients, I agree to pick up my pet within 30 minutes of being notified that they are ready for pickup.
